## UNAA World Finals - Anaheim, California

In late July, Michael and a group of our squad members took on the UNAA World Finals in Anaheim, California. Across the 5 days of competition, our Fighting Lyons team were challenged by a range of courses across various events.

To say we are proud of all those who competed is an understatement, every single team member who went showed great courage and determination across the five days. We hope you are as proud as we are as you all achieved something outstanding by simply representing Australia. And to top it off, the team spirit and support that was shown was beyond amazing.

Special mention must go to the following squad members

-  
Nico Zandona - 3rd in the UNNA final & 3rd in the WNAG final

Josie Sheean - 3rd in the FINA final

Michael Mischefski - 2nd in the US Open (International Div)

Alyssa Mischefski - 5th place in WNAG final

Audrey Zammit - placed 9th in OCR
